

What does it mean to be Eloquent and Truthful?

During this term Year 2 have worked hard learning about our world, plants, animals, the climate crisis and plastic pollution. On June 7th we celebrated World Oceans Day.

We were Eloquent in expressing our voices and views in why our world is special and how we can look after God's creation.

We are truthful in the way we expressed our views about why we love the ocean and described ways to keep it clean and look after it in the future.

God wants us to be truthful in all we do. Jesus said, 'I am the way, the truth and the life', so being honest and truthful means we are following in his footsteps and living life the way God wants us to.
