Summer Term Virtues -  
Eloquent and Truthful

Eloquent: When we use language to express our ideas and opinions. We can also express ourselves in other ways like music, drama, painting or dance.

Truthful: God wants us to be truthful in all that we do. We should stand up for the truth.

We listened to the story of Pentecost and expressed ourselves using paint.

We have enjoyed expressing ourselves through dance this term and talk to God regularly through prayer.

Share this prayer with your child:

Lord God,

Help us to know the truth,

and to speak the truth,

today and always.

Amen.

## Learned and Wise

Learned: Learning how God wants us to live our lives.

Wise: Following the teachings of Jesus.

We have been learning to look after our environment. We take part in regular litter picks around the school to 'Take care of our world'.

We are learned when we try our best in all that is asked of us in school. We have been working hard to learn our sounds and read words this term.

Share this prayer with your child:

Help me love, help me care, help me smile, help me share.

Help me give, help me grow, help me laugh, help me know.

Amen.

We have been learning about the different stories in the Bible. We now know about when God called Samuel.
