

What does it mean to be Learned and Wise?

Learned: learning how God wants us to live our lives whether we are young or old, we should never stop learning about what God wants of us. We learn many new things each day.

By reading the Bible, listening to our teachers and listening to our hearts, we learn more of what God wants. Wise: knowing how God wants us to live our lives and putting it into practice.

God is always with us and hoping that we will live our lives in the right way, following the teachings of Jesus.

We have enjoyed our time together in Year 2 learning and growing together. During our circle time together, these are some of the questions that helped us to reflect.

What qualities does God want us to show in our everyday lives?

How can you be kind, loving, respectful and trustworthy?

How can you be like Jesus?

What have you learned in school?

What have you learned at home?

Our Learning in R.E.

Dialogue and Encounter

In this branch we learned about the Good Samaritan. It can be hard, and often very inconvenient, to do what is right. In the Parable of the Good Samaritan, Jesus taught us that we need to do the right thing even when it's difficult, takes us out of our way, or costs us time or money.

By working together, Christians can make a positive impact on their local community and the world.

Pray together:

Dear God,

Speak to our hearts and help us to see that we are one big family.

Old or young, short or tall, wherever we live, you made us all.

Help us to make our world fair,

And live out our dreams.

Amen.
