

Year 3 Spring Term Virtues

Compassionate and Loving

Jesus' great commandment is "Love one another." (John 13:34) The more we **love** others, the more we are truly human and most truly ourselves.

We have been learning about the parable of the Prodigal Son. We have learnt that the father in the parable is God and he forgives us when we make mistakes. God loves us always. God always shows us love and compassion and we try to show that love and compassion to others.

In year 3 we are stopping and noticing how others are experiencing their lives, and how they feel, and why they say and believe what they do. We have been working on being **loving** through our just and merciful actions and forgiving words.

We try to be loving and compassionate to our classmates, recognising their needs and sharing their joys and sorrows. We are developing the ability to see the world through their eyes, to step into their shoes, to empathize.
