Year 4 have been hopeful for our future by learning about climate change and what we can do to help save our planet. Our planet is very important to us because it's filled with all of God's beautiful creations, including us.

## Term 2: Compassion and Loving

In Year 4 we are compassionate and loving. When we are compassionate and loving, we make a note of it and pop it into a kindness jar to remind us that we all have Jesus in our hearts. At the end of the year, they will be read out to show how much love and compassion there is within our class.
