

Local Church Community

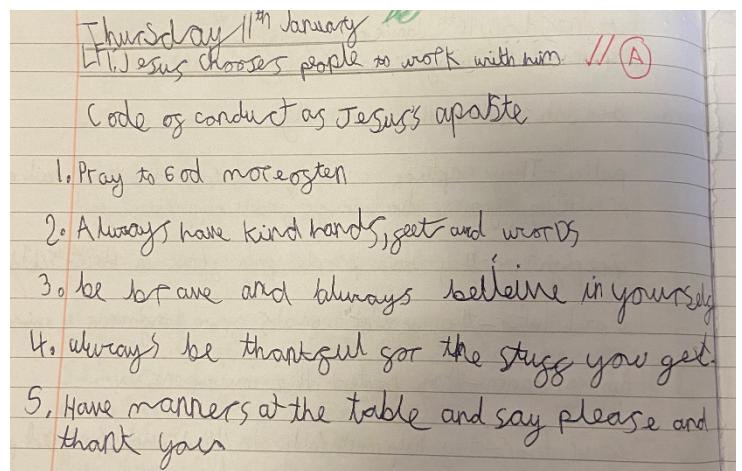

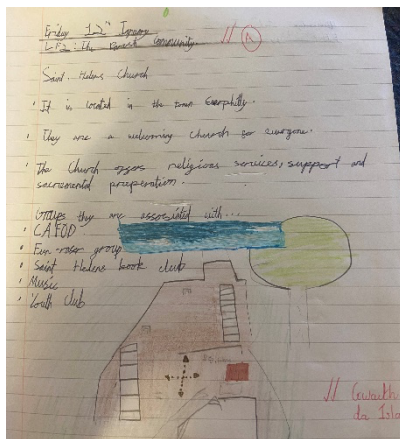

Big Question: What makes community?

Explore:

Some children mind mapped different communities they belong to. Other children identified jobs within a community and why they are important. Other children researched an Environmental Charity within the community.

LF1: Jesus chooses people to work with him

Some children wrote a diary entry from the perspective of a disciple about being chosen by Jesus. Others wrote a code of conduct as an apostle of Jesus.

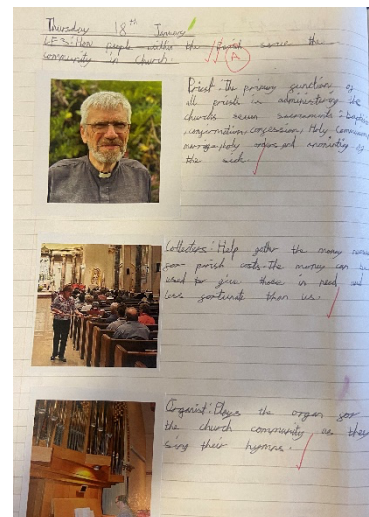

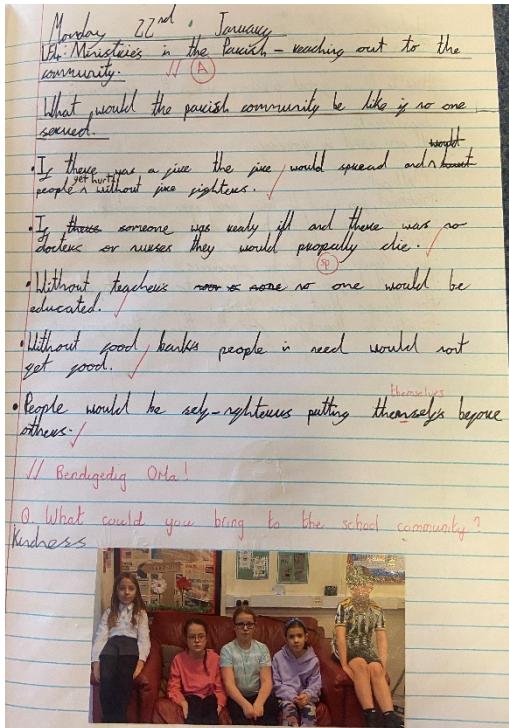

LF2: The Parish Community

Some wrote a prayer for our local community. Other children researched information about St. Helen's church.

LF3: How people within the parish serve the community in church.

Children did a matching and sorting activity. Children had to match the role within the Church with a photograph of it being carried out. For example, flower arrangers, collectors, and organists.

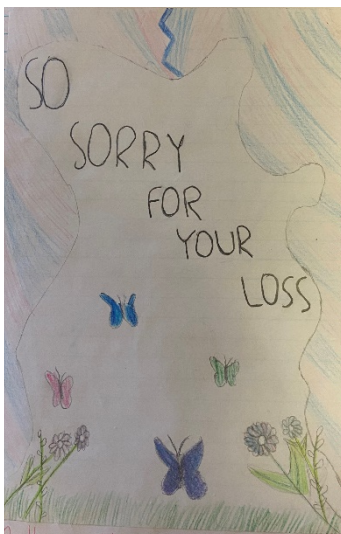

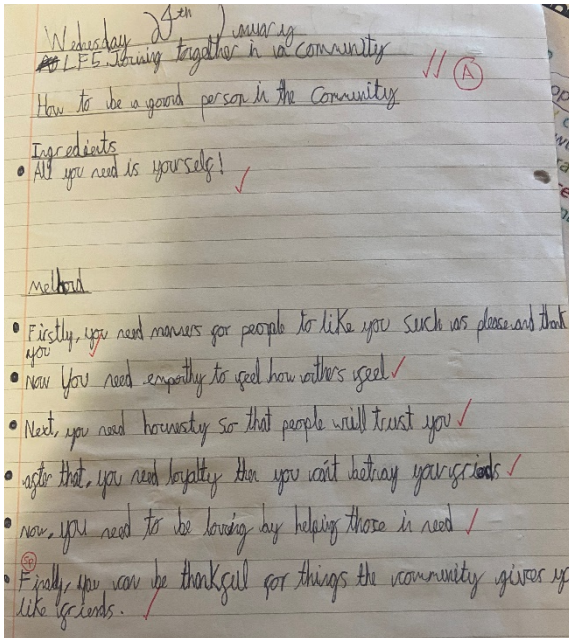

LF4: Ministries in the Parish

Some children researched day to day people who help in our community e.g. visiting ill people in the hospital. Other children wrote a prayer for those who serve in the community. Some children looked at a 'what if' scenario which was 'What would the parish community be like if no one served?'

LF5: Joining together as a community

Some children wrote instructions how to be a good person to the community. Some made links to scripture how they can be good to the community.

LF6: Parish Community Celebrations

Children did condolence cards for people who may have lost someone they loved. This made links to the celebration of life during a funeral ceremony.
