

# Year 1 RE - Special People

One of our favourite parts of this topic was having visits from Father Kelly and Mrs Cronin. They are both people with special jobs at the church.

We planned and asked them lots of questions about what their job is, what they like about it and why their jobs is special. We realised that even though everyone's job is different, they are all special!

We finished the topic with a lovely Gweddiwn session where we gathered, listened to the word of God and considered how we could take this forward with us.

# Year 1 RE - Meals

Thank You God for my Mum and Dad  
because they are good for me  
Thank You God for my brother and my sister  
because they love me  
amen  
*Lovely!*

During our meals topic, we learnt all about the special meals we have. Some of these were in our homes with our families but others were meals we have at church, during Mass. We wrote thank you prayers to God for his special gifts.

We learnt about the sequence of Mass and what happens at the different times. We are looking forward to the next family Mass at St Helen's church.

ind  
We sing together at the Sunday school  
In name of Father and the Holy Spirit  
The Priest is nice to us  
How does it feel when everyone sings together?  
Joyful  
Happy  
Great word

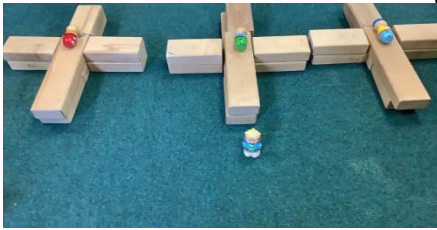

2 and 3  
Recalled all of the facts about the Last Supper

The last supper was one of our favourite things to find out about during this topic. We know that this was a very special meal that Jesus had with his friends. We'll find out more in our next topic, 'changes'.

# Year 1 RE - Changes

Your Lenten friend is \_\_\_\_\_

Think of ways you can be a nice friend without telling the person!  
Maybe draw a picture for them, include them in your games, say a prayer for them every night...

We are very excited for our 'changes' topic because we know that we are in the special time of Lent! We made special Lenten promises to make us better people and had a Lenten friend to show love and kindness to during Lent.

We role played Palm Sunday with the song 'Give me oil in my lamp'. It was so much fun and we can imagine how the people would have felt when Jesus arrived on the donkey.

We continued our learning about Lent and Easter by retelling the Easter story, writing prayers to God and drawing Jesus on the cross on Good Friday.
