

Nursery- R.E

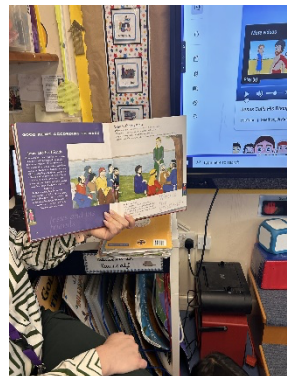

Summer Term

Friends

During our Religious Education sessions this term, we explored who Jesus' friends were and why He needed them. We reflected on our own lives and why having friends is important.

We sang and danced to the song "You've Got a Friend in Me," which we all enjoyed. We also had fun drawing pictures of our friends.

Through these activities, we learned that, just like Jesus, we need friends for companionship, support, and love. Friends make our lives more joyful and meaningful. This term has reminded us how valuable our friends are and how they help us face life's challenges together.

Our World

Nursery children have learned all about our wonderful world, created by God, and our responsibility to care for it. We discussed how making good choices, like saving energy and picking up litter, can help. We also learned about CAFOD, which helps people around the world and teaches us how to protect our planet. The children are excited to make a difference and look after our Earth!
