

Reception Summer Term:

Good News:

We resurrected the Alleluia we buried at the beginning of Lent - it had grown! Just like our love and faith during Lent.

We played a game of Chinese whispers and sent around a piece of good news.

We listened to the story of Pentecost and danced with scarves like the Holy Spirit. We also wrote a birthday card for the church, and made windmills.

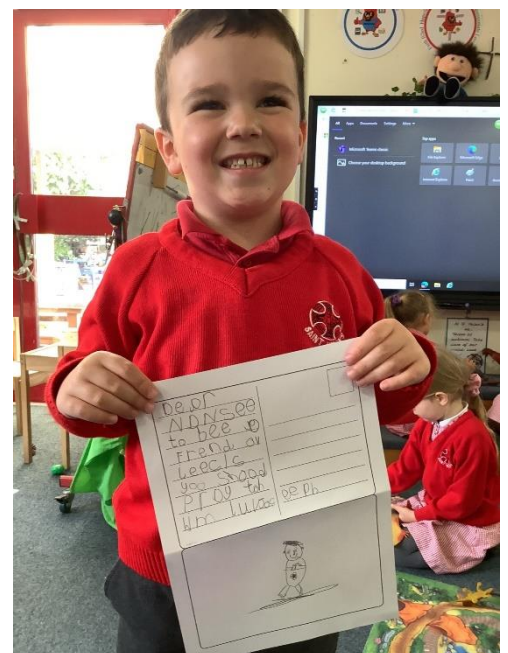

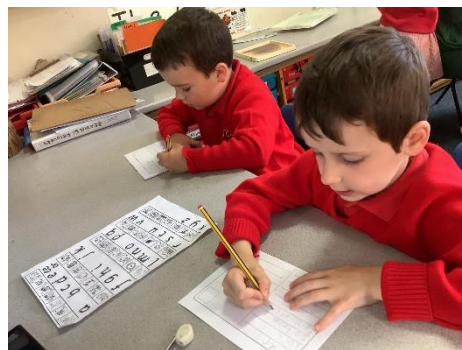

Branch 6 - Dialogue and Encounter:

We deepened our appreciation of Mary by holding a special procession for her during the month of May.

We heard the story of Peter walking on water and experienced walking through water. We talked about how it feels and how Peter may have felt.

We collaged an image of St Peter to remind us that he is a special friend of Jesus.

We also learnt about St Paul and how he wrote many letters to tell people about Jesus. We wrote a postcard to a friend to tell them how to be a friend of Jesus, just like St Paul.
