

# Year 1 - Spring 1: Compassionate & Loving

We have learnt about the values; compassionate & loving. We found out that this meant being compassionate to people near and far. Our CST character Shristi bear stands for 'solidarity', which taught us that we are connected to everyone around the world as brothers and sisters.

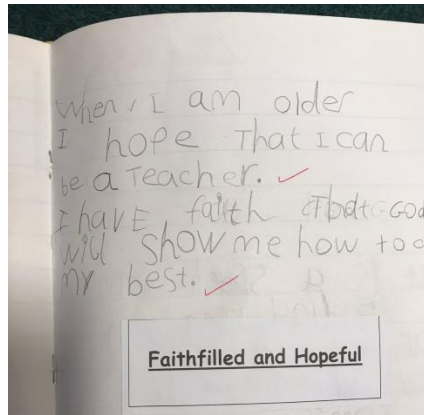

We listened to the story of St Dwynwen. We think she shows our virtues; compassionate and loving, perfectly! We also described her as caring, generous, kind and brave.

Lots of children showed how they could be **compassionate & loving** friends.

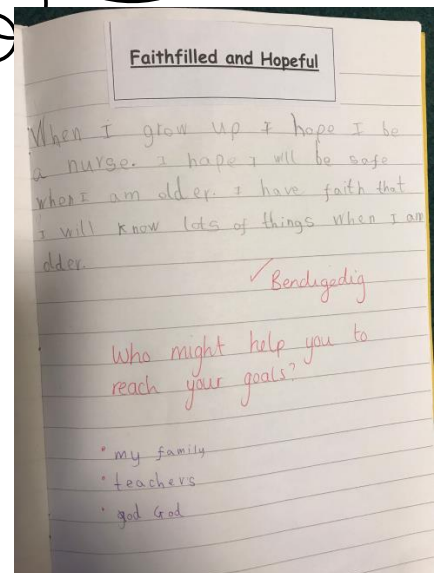

# Year 1 - Spring 2: Faith-filled and Hopeful

We learnt what it meant to be '**faith-filled and hopeful**'. We discussed how we could have faith in our God, families and ourselves.

We shared what we **hoped** we could be in the future, as well as who might help us to achieve that.

We are thankful to Jesus for showing us the way when we are unsure. We know that the Holy Spirit will guide us, so we are **hopeful** for the future.
