

Year 3 Summer Term Virtues

Eloquent and Truthful

We have been eloquent and truthful in what we say about ourselves, relations between people, and the world. We have been learning to develop an eloquent language that can be used to understand and articulate emotions, beliefs and questions. Encouraged by the example of teachers, we are developing the ability to be truthful in the way we represent ourselves and speak about the world.

Year 3 went to Newport Wetlands. This was an area used to dump waste from the nearby power station. Now it is full of wildlife, plants and flowers. We asked and answered lots of questions about our world, looking after our planet and sustainability.

- **Eloquent:** the ability to speak or write fluently, persuasively and appropriately. We are eloquent when we use language to express our ideas or opinions clearly and with conviction. When we choose our words, we should do so carefully so they are kind and compassionate, and don't hurt others. Eloquence isn't limited to speaking and writing. We can express ourselves in other ways like music, drama, painting or dance. We should use our creative gifts to say things in a way that is interesting, truthful, memorable and faithful

Lots of the year 3 children have taken up violin and keyboard this year. The performance was fantastic and enjoyed by all junior children.

- **Truthful:** God wants us to be truthful in all we do. Jesus said, 'I am the way, the truth and the life', so being honest and truthful means we are following in his footsteps and living life the way God wants us to. Being truthful is being faithful to ourselves and to Jesus. We should stand up for the truth.

The Senedd had a careers fayre. We learnt we must be true to ourselves and do a job that we want to do. Becky the firefighter told us if we can't follow our dreams, we can as close as we can to them.
