

# How are we being Faith filled and Hopeful?

During spring we have enjoyed learning about Jesus and his journey to the cross and his resurrection to new life. In Year 2 we participated with Nursery, Reception and Year 1 in our Easter Kett.

Together, we listened to the Holy Week story of how Jesus ate bread and drunk wine as symbols of his body and blood as he knew he would soon die on Good Friday. Easter Sunday shows us how Jesus kept his promise that he will always be with us and he brings us new life.

Take a look at us working together in our Kett service. It is showing how we are all faith-filled with our knowledge of the most important story about Jesus during Holy Week and hopeful the new life Jesus brings.

I loved our Easter assembly because it showed us how much Jesus loves us.

Amelie

It made me feel a little bit sad because Jesus had to die for us.
