

Year 6 Spring Term Virtues

Compassionate and Loving

We try hard to be compassionate towards our classmates, recognising their needs and anticipating when they need support to follow instructions, complete tasks and join in and collaborate with others.

We are loving to all our school community and show this through our caring actions.

Yr6 and Reception learned about birds as part of the RSPB 'Big Garden Birdwatch'. We came together one Friday afternoon and the older pupils lovingly shared books with their younger school mates, made pictures and even constructed bird hides in the forest and shared a biscuit and hot chocolate.

Faith-filled and hopeful

February 27th. This shows the school netball team at the end of the Third Round of Caerphilly Cluster league. It was a tough one. The teams were in two pools, ours was the top of the table where we were battling it out for a spot in the Borough final. We won a game but was that enough? The children enjoyed the competition and were hopeful to get into the next round. Which they did!

Yr 6 went to Easter Cracked. They learned more about the events surrounding the death of Jesus on Good Friday and the reasons why Easter is considered the most important Christian festival. They learned about Christ's faith in his father during his torture and crucifixion. Holy Week is an opportunity to grow in faith; to grow spiritually and reflect upon the immense sacrifice Jesus endured for us. His death and Resurrection have given us new life.

Yr6 took part in:

Each child walked at least 2km in order to reach CAFOD's target of 200km in 40 days.

Dear Lord,

Help us to be **faith-filled and hopeful** for the futures of all our brothers and sisters worldwide. Help us to support each other with our generosity.

Amen
