## Big Question: Is Life a Journey?

### Explore:

Children plotted the events of the school week.

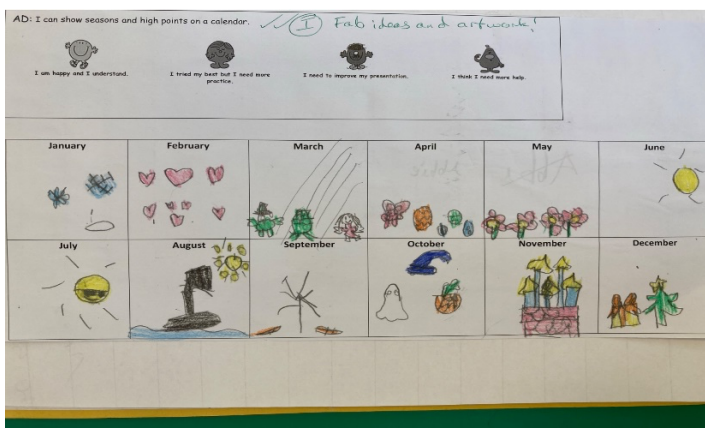

### LF1: The Liturgical Year

The children made a spider diagram showing how Christians can love and serve God.

### LF2: The Seasons of the Church's Year

The children learnt about the special seasons in the liturgical year.

### LF3: Ordinary Time

We chose our favourite Gospel readings from a Sunday Missal. We explained why we chose them and presented this to the class.

### LF4/LF5: The Pilgrimage Psalms

We chose one of the psalms from God's Story 3. We illustrated some of the verses and explained what they meant.

### LF6: The Christian's Life Journey

The children made a class book of our favourite prayers. We also composed them for some special occasions.
